Candlewick Press (Sep 6, 2016)

Hardcover \$17.99 (40pp)

978-0-7636-9077-9

A Child of Books is a gorgeous book about creativity, imagination, and a love of books. The first-person narrative describes the joy and the adventure of stories. In simple pen-and-ink drawings, two children roam through a landscape of words from well-known stories that many adults will remember from childhood. Appropriate for children ages four and up, this is clearly intended for anyone who appreciates the gift of imagination and all the places a good book can lead to.

CATHERINE REED-THURESON (Winter 2017)
