When a ball of bright red yarn unravels in the woods, it almost unravels Badger and Porcupine's friendship, too. Follow the thread as it loops and rolls into hammocks, kite strings, tents, and boat sails, taking shape in a flurry of furious critter-knitting as each animal tries to claim the skein. When the weather turns cold, though, warm hearts prevail. This is a cozy tale about sharing, caring, friendship, and truly unique stitchery.
