

AB(zer)C: A Low-Carbon Footprint Alphabet

Randi Hacker

Mary Camille Connolly, Illustrator

Home Planet Books (Apr 22, 2022)

Softcover \$10.99 (32pp)

978-0-578-30384-0

Watercolor illustrations and gentle rhymes form this alphabet book that offers children small changes they can make to support the planet and reduce their carbon footprint. In this alphabet, “B is for biking,” and L urges readers to “buy local”; other letters include activities like drawing or assembling a fan. Some letters may require further research and explanation—such as N for “No-till”—but between A and Z, there’s something for everyone to learn in this timely title.

DANIELLE BALLANTYNE (May / June 2022)
