

All the Fish in the World

David Opie

Peter Pauper Press (Aug 1, 2021)

Hardcover \$16.99 (32pp)

978-1-4413-3578-4

A curious mudskipper seeks a single definition of what a fish is, knowing that he's outside of the norm of others' expectations himself. Illustrations awash in innumerable examples of underwater biodiversity validate his curiosity: "fish" is an umbrella under which a vast and varied number of creatures swim! Educational and enchanting, this busy picture book does an excellent job of introducing curious young readers to the wide world just beneath the water's surface.

MICHELLE ANNE SCHINGLER (July / August 2021)
