

Amazing Animals of the World

Sabina Konecna

Zuzana Dreadka Kruta, Illustrator

Albatros Media (Jul 27, 2021)

Hardcover \$12.95 (40pp)

978-800005930-3

Come one, come all to this delightful display of some of the animal kingdom's quirkiest members. Set up like an old-fashioned circus revealing its oddities, the book mixes scientific facts with expressive, cartoonish characters, keeping even tarantulas and blobfish from being too scary or unbecoming. From an armadillo with a dashing top hat to a tattooed goblin shark, kids and their helpers alike will be charmed by this educational title.

DANIELLE BALLANTYNE (July / August 2021)
