A bevy of wild creatures in vibrant neon hues emerge on the pages of this book; look closer at each tentacle, tail, and body in motion for a message hidden in plain sight. This uniquely crafted word search and letter seek-and-find constructs images with a mix of capital and lowercase text art. Appearing in bold, italic, flowing script, and sans serif, there's an alphabet of letters that spell out the name of every animal while taking on its shape.
