Are You the Pirate Captain? is a humorous tale of one pirate crew's search for the perfect captain. The story is full of clever rhymes and pirate speak, and even includes a sea shanty complete with a musical score. The color illustrations are engaging and very funny, depicting such things as a pirate who seems to be picking his nose, as well as the crew's previous captain being eaten by a giant squid. The book is appropriate for children ages 4 to 9, but will certainly entertain children of all ages!
