No matter the hour, something exciting is happening on the mountains, shores, and cities found in *Around the World Right Now*, from Gina Cascone and Bryony Williams Sheppard. Explore cultures, countries and climates while meandering across the globe, passing through each of the twenty-four time zones. Olivia Beckman's lively illustrations chase the setting sun as a girl from Ipanema goes walking and a moose wanders the sleepy streets of Anchorage, with playfully depicted clocks hidden in each scene.
