Get ready for a Passover Seder unlike any other. When Asteroid and her family get stranded in space on their way home from Pluto, they rally together to creatively observe time-honored customs. Staying true to tradition while feasting is kind of tricky in zero gravity where the only ladle around is the Big Dipper, but it's also lots of fun, especially with the help of colorful friends willing to try a little something different.

PALLAS GATES MCCORQUODALE (January / February 2020)
