

Bees in the City

Andrea Cheng

Sarah McMenemy, Illustrator

Tilbury House (Nov 7, 2017)

Hardcover \$17.95 (36pp)

978-0-88448-520-9

Learn about urban gardening and beekeeping from young Lionel and his friends as they convince the residents of a colorful Parisian apartment building to open their rooftop and window boxes to a struggling hive of honeybees. Bright splashes of watercolor flowers and golden combs of honey are abuzz with busy drones and workers in a fun and informative tale set in a city that is home to hundreds of hives and one very clever boy.
