Celebrate the dazzling spectacle of reading, writing, and designing in this vaudeville romp that explores the outside, inside, intellectual side, and imaginative side of these friends we call books. Antique-style fonts and warm-toned illustrations elucidate definitions and expose the possibilities found in the world of books. From history to fantasy to guidebooks, from Jabberwocky to “once upon a time” to goats, this book, imbued with ecstatic enthusiasm, has it all. Ages five and up.
