Calling all Cars is a fun read-aloud book about all types of cars. Each page is filled with colorful, energetic illustrations of cars driven by a plethora of adorable cartoon animals. The book is written in rhyme and includes all kinds of cars from the ordinary, such as convertibles and taxi cabs, to the unusual, such as limousines, clown cars, and lowriders. Intended for children ages three to seven, but even babies will appreciate the bright colors and rhythmic text.
