The terms “board book” and “profound” are not often found in the same sentence. But this trio of well considered titles is far from typical. *Color Blind* questions whether souls have a color; *Such Small Things* anticipates the birth of an infant’s laughter and footprints; *Blue Squares* focuses on the night sky and the role of imagination in a young life. Founder of StoryPeople Press, artist Brian Andreas challenges book lovers to never settle for simplistic. All ages.
