There's everything to like about this book: the simple, expressive, and colorful illustrations; the great use of white space; the snappy, rhyming text and the fabulous tension that grows and grows as kids anticipate the terrible mistakes. You might get a classroom out of control with this one, but the kids won't be able to complain that reading is passive. A fabulous book for children in kindergarten through second grade.

HEATHER SHAW (June 16, 2009)
