

Curious Critters Volume Two

David FitzSimmons

Wild Iris Publishing (March 2014)

Hardcover \$19.95 (32pp)

978-1-936607-70-9

In the distinct voices of twenty animals, David FitzSimmons introduces science lovers to the biology, behavior, and ecological benefits of a variety of critters. From the cave salamander to the great horned owl, from the American alligator to the predaceous diving beetle, the creatures in this volume inspire and offer insight through fun prose soliloquies—the animals speaking directly to readers. FitzSimmons's clear and detailed photographs bring a unique angle to children's nature literature. Ages two and up.
