978-1-5362-0453-7

A happy little dandelion views the world with wonder in this wordless story about enjoying life to the fullest. Dark and smokey shades of black and gray are softened with sunny yellow accents as scenes evolve from tree-lined wildflower fields to sidewalks and towering city skylines. Sporting a jaunty mane of petals, the catlike flower journeys far and wide, taking pleasure in the simple things and using a big imagination to fill in the rest.

PALLAS GATES MCCORQUODALE (January / February 2020)
