

**Dinosaur Lady: The Daring Discoveries of Mary Anning, the First Paleontologist****Linda Skeers****Marta Álvarez Miguéns, Illustrator**

Sourcebooks Kids (Jul 7, 2020)

Hardcover \$17.99 (40pp)

978-1-72820-951-7

This delightful illustrated biography is designed to introduce curious young minds to the life and work of Mary Anning, a girl from England who turned shell collecting and exploring the coast into a science, pioneering the field of paleontology. Uncover fossils and never-before-seen skeletons with Mary as she ventures through rough terrain, weather, and the Geological Society's antiquated notions of gender equality, all while looking lovely in Austen era gowns and bonnets.

PALLAS GATES MCCORQUODALE (July / August 2020)
