Join along as a colorful group of fun-loving children dig through a cardboard box of homemade props and costumes in *Dressing Up!* from the Amazing Me! board book series. The book promotes self-expression by incorporating music, movement, and art in creative play. Fans, feathers, capes, and paper hats transform the friends into dinosaurs, robots, animals, astronauts, and more as they communicate through sound effects and onomatopoeic exclamations, letting their imaginations run wild with possibilities.
