Eeny, Meeny, and Miney Mole are sisters who live in a deep, dark burrow. Meeny and Miney are content in their predictable, quiet home, but Eeny longs to be part of the Up Above; she visits often—despite her older sisters' scolding. Nothing Eeny tries convinces her sisters to venture into the light; only an acorn cup of cocoa sparks a compromise. Watercolor illustrations portray the blossoming beauty of spring and the cozy hues of the Mole sisters' underground home.
