Eddie doesn't like Mondays or storms, let alone both combined; an unexpected visit from a larger-than-life friend helps him find the courage to seek out the sun in this inspiring picture book. Reminiscent of claymation media, the illustrations are layered with textures and blended colors, as of stars protruding from a night sky or a maze of delicate, intertwining leaves in marbled hues of green; readers of all ages will be won over by the unique style of this dreamy tale.
