Friends is the story of a little girl who comes to a new school from very far away and is unsure about how to make friends. Gradually she becomes accepted, and when another new student from even farther away joins the class, the little girl knows just how to welcome her new classmate. The book uses minimal text, relying more on soft and appealing illustrations to share the story. The book is appropriate for children ages 3 to 8.

CATHERINE REED-THURESON (Spring 2016)
