In a tale of kindness and charity, Alfonzo's stylish new coat slowly unravels as he gives bits and pieces of it away to those in need. Rhyming verses complemented by multihued and textured illustrations follow the coat's demise as Alfonzo, a lovable goat with curved horns, long ears, and wide eyes, selflessly comes to the rescue. This charming story is ideal for story-time read-alouds or building values and character education collections at home or in the classroom.
