Dawn Publications (March 2010)

Hardcover \$16.95 (32pp)

978-1-58469-126-6

A winning combination of verse, factual language, and beautiful illustrations that describe the mysterious migration patterns of animals from loggerhead turtles to monarch butterflies to ruby-throated hummingbirds to caribou.

Resources at the end of the book include Web sites to learn more about the featured animals, and several lesson and activity ideas for educators.
