

Goodnight Exomoon

Kim Arcand

Kelly Kennedy, Illustrator

Cottage Door Press (Jun 30, 2020)

Hardcover \$9.99 (34pp)

978-1-68052-934-0

The beloved children's classic *Goodnight Moon* gets a celestial remix in this astronomy-themed parody. Telescopes, scientists, and satellites fill the recognizable great green room, and the book's rhythmic verses and alternating color and black-and-white illustrations stay true to the original tenor and tone. *Goodnight Exomoon* is perfect for tucking little stargazers in at night or as a companion to the original. Through it, children will learn a thing or two about micrometers, atmospheric balloons, and what exactly an exomoon is, anyway.

PALLAS GATES MCCORQUODALE (July / August 2020)
