Hardcover \$17.95 (52pp)

978-1-935954-14-9

Could you identify a shy fish? How about a bored or shocked or brave one? This sweet book about recognizing emotions on the faces of others (all fish here) will inspire thought and conversation about what it's like to feel these often perplexing things. Day-Glow pastel drawings on a black background drive home the power of single-word text entries. Ages two and up.
