Challenged to a game of hide and seek, four ladybugs learn a quick lesson in camouflage as they try their best to blend in before a bow tie-wearing beetle can detect them. In this rhythmic and engaging tale on sturdy board book pages, cut-out designs reveal a kaleidoscope of wings, leaves, and patterns, while the ladybugs gather inspiration from nature and other creeping, crawling, fluttering friends who know that the best hiding place is the one that's least expected.
