

Hippopposites

Janik Coat

Appleseed Books (May 1, 2012)

Hardcover \$14.95 (34pp)

978-1-4197-0151-1

This smartly designed collection of opposed concepts stars the single figure of a hippopotamus in many guises: small and large; thin and thick, blurry and clear; rough and soft; behind and in front; right and left; alone and together with a bird. Kids and parents alike will respond to the bold, minimal design.
