This charming book is about a child exploring nature as she walks through the woods with her father. She is enthralled by the world around her and wants to hold on to everything she finds. Her father helps her to see that she can only really hold on to what is truly important. The watercolor illustrations depict the joy of a little girl's treasure hunt and the woodland creatures that follow in her footsteps add humor to a very sweet story. Ages 3-7.

CATHERINE REED-THURESON (Winter 2016)
