Vigilante Zach brings bullies to justice by showing how to behave peacefully, stand up for yourself, and gain self-confidence in a noncombative way. His mantras may be cheesy, but they're riotously fun and affirming for those experiencing bullying. By portraying diverse children both as the taunters and the taunted (and as the heroes, of course!), the authors demonstrate that ruffians, victims, and conquerors can come in all shapes, sizes, and colors. Ages five and up.
