

★ **I Am the Rain****John Paterson**

Dawn Publications (Mar 1, 2018)

Softcover \$8.95 (32pp)

978-1-58469-616-2

This cross-curricular gem is a beautiful tribute to the many colors, shapes, and fluid forms of water, striking artwork and rhyming verses tell the story of the shifting, flowing, frozen, molten, misty matter. It explains the three states of water, its cycle, and takes a deeper look at each illustration, posing questions and exploring answers concerning everything from the color of water and why it rains to what causes frost and fog.

PALLAS GATES MCCORQUODALE (March/April 2018)
