Carolrhoda (Aug 1, 2012)

Hardcover \$16.95 (32pp)

978-0-7613-6726-0

The stars in the night sky inspire a little girl's meditation on infinity. As Uma tries to ground this overwhelming notion by seeking examples in her own life, she muses on math, music, and immortality until her head aches. Tenderly explored and gorgeously rendered, the book captures the wonder of childhood. Ages five to nine.

(Fall 2012)
