

Is 2 a Lot?

Annie Watson

Rebecca Evans, Illustrator

Tilbury House Publishers (Jun 4, 2019)

Hardcover \$17.95 (32pp)

978-0-88448-715-9

Joey and his mom discuss the surprising ways that quantities can be measured and compared in this creative adventure with numbers. It adds up to a whole lot of fun, and active illustrations highlight Joey's wild imagination as he learns that 2, 10, 50, and even one thousand can seem like a lot or a little, depending on whether you are dealing with grains of sand on the beach, smelly skunks, or colorful hot-air balloons.

PALLAS GATES MCCORQUODALE (July/August 2019)
