Softcover \$10.95 (32pp)

978-1-927095-11-9

An Inuit grandfather's fond recollections of the bravery of his former sled dogs make for constructive lessons to his grandson, who's raising his own unruly pup. Patience and positive reinforcement are the overall advice he lends, and to think of the relationship as a friendship. These are valuable words made especially sweet by the obvious mutual regard in this intergenerational family. Simply and beautifully rendered art drives home a straightforward message of love. Ages four to eight.
