(August 31, 2011)

From ballet and ballroom to belly dancing, this brilliant primer is “a guide to creating, performing, and promoting your moves.” The author’s hip, conversational tone encourages at every step. She describes all of the players—choreographers, costumers, musicians, and techies—and references films featuring partner dancing. Instructions on making your own dance step share pages with how to publicize your event. Comprehensive, exhilarating and groovy. Ages nine through thirteen.
