Leilong is a boisterous brontosaurus who just wants to fit in—especially to the town library for story time. Though he's eager to enjoy the library with his friends, the building can't accommodate his energy or his size, leading to a creative solution that ensures everyone can take part in the magic of learning. Leilong is a cheerful, bright-green standout among bustling cityscapes and quiet interiors with dark line art and crayon-like smears of rose and dusty blue.
