

## Life on Earth: Space

**Heather Alexander**

**Andres Lozano, Illustrator**

Wide Eyed Editions (Mar 22, 2018)

Hardcover \$12.99 (16pp)

978-1-78603-055-9

For every child who has ever gazed at the night sky with wonder, the Life on Earth series now has answers. One hundred questions about stars, planets, space travel, and the vastness of the universe are organized into over seventy thoughtfully labeled, colorful boxes. With a simple lift of the flap, budding backyard astronomers can discover how close to Earth the nearest galaxy is or which animals have been sent to space.

PALLAS GATES MCCORQUODALE (May/June 2018)
