Mixing soft watercolor brushstrokes with bold colors and eye-catching landscapes, *Little Home Bird*, from author and artist Jo Empson, is a visual treat as well as charmingly told tale of a wee bird hesitant to leave his beloved nest as the rest of his flock migrates south for the winter. Little Bird's wide-eyed appreciation for the world around him, and determination to carry his treasures through storms and rough weather, will earn him a place in every child's heart, particularly those who have moved to new homes, traveled to far-off places, or perhaps just spent a weekend away from their nests.
