

Look Out for Bugs

Jen Prokopowicz

Craigmore Creations (March 2015)

Hardcover \$19.99 (32pp)

978-1-940052-14-4

From a forest to a desert to your own backyard, bugs—not all of them insects!—are never far away. They can be, however, far from sight. This I-Spy-like guide educates young bug-hunters about these creatures and where to find them. Each bug and locale is accompanied by an informative paragraph encouraging a love of nature. The layered-paper artwork skillfully renders various environments so that they look 3D. Ages five and up.
