Blue-gray backdrops overlaid with warm touches of reds and yellows aid this intimate story about the lasting connections love creates. When Tess has to leave her family for her first day of school, she worries their love won't be able to find her. Her mother assures her that love stretches as far as it needs to, and Tess discovers new strings of love connecting to her classmates and teacher as she waits to be reunited with her family at the end of the day.

DANIELLE BALLANTYNE (January / February 2021)
