

**★ Magnificent Creatures: Animals on the Move!****Anna Wright**

Faber &amp; Faber (Jul 17, 2018)

Hardcover \$17.99 (32pp)

978-0-571-33068-3

A herd of South African springbok, a kaleidoscope of migrating butterflies, a murmuration of starlings, and a massive school of silver herring are beautifully rendered in this unique collection of natural science facts. Winsome pen-and-ink artwork, richly patterned fabrics, and shimmering golden accents capture the fluidity and graceful movement of animal collectives in a dozen enchanting images of feathers and fur, shells and fins, antlers and tentacles, all in perpetual motion.

PALLAS GATES MCCORQUODALE (July/August 2018)
