Two courageous girls uncover a dangerous scheme in a mystical tale of butterfly queens, fluttering souls, and environmental conservation. In a story translated from its original Spanish and set amid the jewel-toned majesty of the yearly migration of millions of monarch butterflies from Canada to Mexico, eleven-year-olds Erendira and Corina champion the delicate kaleidoscope when its winter hibernation on the branches of the oyamel trees is threatened by poachers destroying the peaceful sanctuary.

PALLAS GATES MCCORQUODALE (Children's SIP 2017)
