The many forms and ways of reading are joyously celebrated in *Mom, Dad, Our Books, and Me*. One child observes all of the forms of reading in his world—from novels to cookbooks to sheet music to street signs—and all of the ways that reading can enrich life. Whimsical paper collage illustrations show life filled with reading, including a variety of real world landscapes with touches of the imaginary springing from books to add flavor and fun. Ages 3 - 7.
