In this entertaining introduction to some of the most remarkable beasts of the Triassic, Jurassic, and Cretaceous periods, you'll meet a colorful variety of dinosaurs of all shapes and sizes. There are also prehistoric mammals, trees, flowers, and all of the flying, swimming, creeping, crawling creatures in between. Fast facts, comparisons, maps, illustrations, and interactive games keep the learning fresh and fun, gathered in chapters like "Kings of the Sky" and "Terrors of the Rivers and Oceans."
