978-1-953458-55-1

A young girl's grandfather plants a pecan tree when she is born and teaches her to care for it in this story that is at once an education on pecan farming and a reminder of the importance of family histories and legacies. The royal blue of the farmhouse roof, bright red of the farm equipment, and dashes of yellow flowers stand out against a soft palette of nature's blues, greens, and browns in the detailed, textured illustrations.

DANIELLE BALLANTYNE (March / April 2023)
