Little ones who never want to go to sleep will find a kindred spirit in this story about a child who knows that it's bedtime, but whose dreams are being delayed by the restless, animated toys around them. The animals open windows, beg for water, and hog the sheets; their rising clamor is a problem! Twenty-six animal commotions, tracked from a to z, fill this colorful, wholly believable, and very fun account of delayed slumber.

MICHELLE ANNE SCHINGLER (September / October 2021)
