University of Alaska Press (Dec 1, 2023)

Softcover \$13.95 (26pp)

978-1-64642-539-6

An educational primer on a year in the life of Alaska's ringed seals is delivered through the vehicle of Natchiq, a seal pup, and her mother, Siku. The story uses wildlife photography, snaps from scientists, and computer-generated images to impart its information; sections of seal science pair with helpings of Indigenous knowledge provided by Indigenous contributors. An ideal title for the budding biologist, this picture book is geared toward more experienced readers.

DANIELLE BALLANTYNE (November / December 2023)
