For anyone who has ever been afraid of the dark, *Nightlights*, by Paul Paolilli and Dan Brewer, explores the wonders of the night sky with soothing verses as fireflies, stars, and campfire in the country give way to the twinkling lights of a city skyline. Geometric shapes and bright colors next to dark silhouettes and shadows follow two little girls and their papa as they navigate a nighttime adventure, ending up safe and sound in bed.

PALLAS GATES MCCORQUODALE (July/August 2017)
