

Octopus Escapes Again!

Laurie Angus

Dawn Publications (Sep 1, 2016)

Softcover \$8.95 (32pp)

978-1-58469-578-3

Octopus Escapes Again! is an interesting look at a day in the life of an octopus as it searches for food and tries to avoid becoming food itself. The amazing and numerous defense mechanisms the octopus utilizes are highlighted. Sumptuous, colorful collage illustrations capture the underwater world of the octopus and other animals it encounters. Additional information and suggested learning activities provided at the end of the book will help educators, caregivers, and children ages four to ten learn about this interesting sea animal.
