Softcover \$16.99 (208pp)

978-1-78603-160-0

An expansive world of animals can be found right outside your door—so long as you know where to look. Use this guidebook to learn about how to follow the clues, like tracks, noises, and bite marks, to discover all kinds of bugs, birds, amphibians, reptiles, and mammals that call your backyard home—as well as learn about more exotic ones through astonishing facts and monotone illustrations highlighted by tangerine and royal blue.
