

★ **Planetarium: Welcome to the Museum**

Raman Prinja

Chris Wormell, Illustrator

Big Picture Books (Apr 9, 2019)

Hardcover \$35.00 (112pp)

978-1-5362-0623-4

Enter the museum, no ticket needed. View the stars, the night sky, a solar system of planets, or a galaxy, each contained in a series of oversized galleries full of intricate line drawings whose subtle coloration is set against the inky darkness of space. The book is informative and has a whimsical edge. Constellations, nebulae, and the inconceivable vastness of the universe take shape in its mesmerizing mix of facts and fantastical images.

PALLAS GATES MCCORQUODALE (July/August 2019)
